

Funding Agriculture Education & Research

The BC Cattlemen's Association is able to fund these bursaries and grants through monies raised at the Annual General Meeting silent and live auction fundraiser and through the generous matching contribution of the Beef Cattle Industry Development Fund.

Money raised at this event enables the cattle industry to foster post-secondary education and give back to ranching communities.

The BC Cattlemen's Association and Beef in BC Magazine will provide bursary, scholarship and grant winners with a **one-year free subscription to our industry magazine & monthly newsletter** to promote interest and understanding of BC's beef cattle industry.
