

Need Help Planning For Your Farm Business Recovery?

The **Farm Business Recovery Program** assists farmers and ranchers impacted by the 2017 B.C. wildfires to better understand the impacts on their current production and financial situation, to enable them to implement an immediate and long-term recovery plan.

The program offers basic financial analysis, specialized business planning and coaching services. Full program support will provide up to \$5,000 for service from a qualified advisor who can walk you through what you need to know and plan for in order to recover and re-build your business.
