

Highway and Railways Fencing Program

Application-2012/2013

Applications are being accepted until August 31st, 2012 for the 2013 construction season.

Applications will be reviewed by the program and applicants will be contacted by April 1st, 2013 regarding the status of their application. Applications not approved for the 2013 construction season will be considered during application intake for subsequent construction years. Applications must meet the following goals:

- The livestock operation is along a Schedule 1 or Schedule 2 highway OR a railway.
- The applicant must be operating an active livestock operation.
- The fencing must be located along the highway or railroad right of way and form an integral part of a complete fencing system for containment of livestock.

Fill in this form completely and neatly. Incomplete or illegible applications will be discarded.
