## **HELP FOR ROUNDING UP YOUR CATTLE**

### **Riders Assistance Program for Cattle Producers**

BCCA Program Delivery Inc. is delivering funding assistance to cattle producers who need to gather cattle affected by the above fire zones.

The emergency program will provide funding assistance to support:

- Riders
  - To herd and sort on cattle/livestock in the area.
  - To move cattle / livestock to longer term site
  - \$350 per day to pay rider (with horse)
  - Note: Contracted riders cannot be the livestock owners.
- Steel panels available for temporary holding sites (due to lost fencing)

Details:

- The payment to rider is taxable income and the rider who assumes responsibility for any tax and related employment expenses (Canada Pension Plan, Employment Insurance).
- WCB coverage will be provided by BCCA Program Delivery Inc.

Details are included in the application package. The owner of the cattle will complete the form, submit it to BCCA Program Delivery Inc., receive approval, and will be provided with a file number for the subsequent claim.

Once the cattle are moved, and the file completed, the owner will submit to BCCA Program Delivery Inc. the outline of expenses, and rider(s) to be paid (name address, social insurance number required). BCCA Program Delivery Inc. will issue payment to the rider(s) and to the producer for approved expenses (trucking, panels, etc.)
